THOMAS PRINTZ' PRIVATE BULLETIN. A BRIDGE TO FREEDOM PUBLICATION.

March 16th 1958. VOL.6 NO. 50.

Friend of My Heart:

We see that the outer consciousness naturally accepts the Power of The Individualized "I AM" Presence to beat the heart, to radiate the intelligence by which the activities of the daily life are carried on. The outer consciousness, however, must become confident and aware of the Light of The Presence in regard to the requirements that the third dimensional plane presents in the course of the experience of the individual.

We have told you how in Luxor the aspirant is left alone with nothing in the way of material except the flow of Energy from His Presence into his heart. He is bereft of books and any extraneous means of studying so that he "may know himself." As you know, while there is any diversion that cam occupy the attention of the outer self it will not contemplate the Source from whence it sprang. In all religious orders contemplation of God is designed to acquaint the individual with the Flow of God's life which is ever-present but those subtle vibrations are scarcely ever felt in the tumult of daily living.

To acquaint oneself with God's Presence is to find a force within the lifestream which has been experienced by all mystics and Holy Men. They differ from the average man only in that they have recognized, accepted and become One with the God-Principle, which flows not only through them, but through so called sinners as well.

Mankind feel that the Saint, the Seer and the Holy Men are particularly sanctified and set apart by a Unction of Grace which does not visit the masses. This is a fallacy. They are only the men and women who have become still enough to recognize the God life that flows as freely through the most unawakned as through the heart-beat of Beloved Jesus or any Divine Member of the race. When We know, therefore, that individuals who have reached this Spiritual Grace, have merely tapped a reservoir which is open to all, it gives hope and strength to the consciousness of the people who have not yet tasted of that Sweet Water of Spiritual Grace which flows untouched through their experience each day. Contemplate the Power of the lifestream and let its great and ever-present protection and perfection work for you and through you, as it so earnstly desires to do.

Know, My children, that I am ever with you as you climb upward on the Path.
